MULHOLLAND/LAZARONY

WHEREAS, the Village of Fredonia ("Village") and the International Associations of Firefighters, IAFF Local 2931 (the "Union"): and Rion Marting (the "Employee"), collectively the "Parties" to a collective bargaining agreement ("Contract"); and

WHEREAS, the employee was appointed to the position of Firefighter with the Fredonia Fire Department effective November 5, 2025, subject to a probationary term; and

WHEREAS, during the pre-employment interview, the Fire Chief informed the Employee that successful completion of both a Fire Academy and a paramedic program was a requirement and condition of his employment; and

WHEREAS, the Employee has successfully completed the Fire Academy requirement; and

WHEREAS, the Employee is scheduled to begin the paramedic program at Erie County EMS, in January 2027, with expected completion in December 2027; and

WHEREAS, the Parties wish to set out in writing, before the Employee begins the paramedic program and before the Village commits funds to it, the paramedic requirement communicated at hire, the support the Village will provide, and the consequences if the requirement is not met;

NOW, THEREFORE, in consideration of the mutual promises in this Agreement, the Parties agree as follows:

1. Paramedic Requirement

The Employee shall successfully complete the paramedic program identified in Recital D (or a substitute program approved in writing by the Fire Chief) and obtain certification as a Paramedic from the New York State Department of Health, Bureau of Emergency Medical Services no later than March 31, 2028 (the "Certification Deadline"), as that date may be extended under Section 6.

2. Village Support

To support the Employee in meeting this condition of employment, the Village shall provide the following:

- a. Payment of tuition, required fees, and required books and materials for the paramedic program, paid directly to the program where practicable.
- b. Paid release time / schedule accommodation for required classroom sessions. As outline in the schedule of the course.
- c. Upon certification, any paramedic differential or incentive provided under the

collective bargaining agreement.

3. Enrollment, Progress, and Notice

- a. The Employee shall enroll in and begin the program no later than January 2027.
- b. The Employee shall give the Fire Chief a copy of grades or a progress report at the end of each term or module, and authorizes the program to release attendance, grades, and standing to the Fire Chief.
- c. The Employee shall notify the Fire Chief in writing within two (2) business days of any failing grade, academic or clinical probation, dismissal or notice of dismissal, withdrawal, or failed certification exam attempt.

4. Failure to Meet the Requirement

Each of the following is a "Failure Event":

- a. The Employee voluntarily withdraws from the program without the Fire Chief's written approval;
- b. The Employee is dismissed from the program;
- c. The Employee fails a course, module, or clinical component and does not successfully complete it on the retake allowed under Section 7;
- e. The Employee fails the certification examination on the allowed number of attempts under Section 7; or
- f. The Employee has not obtained the certification required by Section 1 by the Certification Deadline.

Upon a Failure Event, the Employee shall submit a written resignation within five (5) calendar days. If he does not, the Village may separate him from employment. The Parties agree that a Failure Event is a failure to meet a condition of employment and constitutes sufficient cause for separation.

5. Waiver of Review

The Employee and the Union knowingly and voluntarily waive any right to contest a resignation or separation under Section 4 through Civil Service Law §§ 75 and 76, the grievance and arbitration procedures of the collective bargaining agreement, or any other administrative or contractual procedure. This waiver is limited to separation under Section 4 and does not apply to any other discipline or separation.

If the Employee disputes whether a Failure Event occurred, he may submit a written objection to the Village of Fredonia Board of Trustees within five (5) business days of the notice of separation. That review is limited to whether a Failure Event occurred, and its determination is final.

6. Extensions of the Certification Deadline

The Certification Deadline, and any program deadline in this Agreement, shall be extended day-for-day for:

- a. Cancellation, postponement, or rescheduling of the program, a course, or an examination for reasons not caused by the Employee; and
- b. Any period of approved military leave, family and medical leave, workers' compensation or GML § 207-a leave, or other approved leave that prevents participation.

The Fire Chief may grant additional extensions in writing for good cause. No extension is

effective unless in writing.

7. Retakes and Examination Attempts

The Employee may retake one (1) failed course, module, or clinical component, subject to the Program's rules. The Employee may make up to three (3) attempts at the certification examination, subject to State and National Registry rules, provided all attempts are completed by the Certification Deadline.

8. No Repayment Obligation

Nothing in this Agreement requires the Employee to repay the Village for any tuition, fees, wages, or other training costs.

9. Union Participation; No Precedent

The Union is a party to this Agreement and agrees that it was negotiated with the Union's participation and does not constitute direct dealing with a bargaining unit member. This Agreement resolves a matter specific to the Employee, does not modify the collective bargaining agreement except as stated here, and shall not be cited as precedent or past practice.

10. Knowing and Voluntary Agreement

The Employee acknowledges that he received this Agreement on (Date) _____ and had at least [seven (7)] calendar days to review it; that he had the opportunity to consult the Union and an attorney of his choosing; that he has read and understands it, including the waiver in Section 5; and that he signs it voluntarily.

11. General Provisions

- a. This Agreement is the entire agreement of the Parties on its subject and may be modified only in a writing signed by all Parties.
- b. If any provision is held invalid or unenforceable, the remaining provisions remain in effect.
- c. This Agreement is governed by the laws of the State of New York.
- d. This Agreement may be signed in counterparts, and signed copies have the same effect as originals.

NOW, BE IT RESOLVED, that the Board hereby approves the MOA with International Associations of Firefighters, IAFF Local 2931, effective immediately.

CRUZ-KEEFE/BRAUCHLER

BE IT RESOLVED, that the Village Board hereby approves the setting of trick or treating hours on October 31, 2026 from 4:00pm to 7:00pm.

WANDEL/LAZARONY

WHEREAS, the Village of Fredonia requires a chlorine scale and installation for the Water Treatment Plant, and

WHEREAS, Koester Associates, Canastota, NY has provided a quote in the amount of four thousand eight hundred ninety-nine dollars (\$4,899.00), and

WHEREAS, this containment drum is necessary for the Village's purpose; therefore,

BE IT RESOLVED, the Board hereby approves the purchase and installation of the chlorine scale in the amount of four thousand eight hundred ninety-nine dollars (\$4,899.00) from Koester Associates.

L. MEETING SCHEDULE-

The next Village of Fredonia Board of Trustees Workshop will take place on Monday November 2, 2026 at 4:30 PM Trustee Room, second floor, Village Hall. The next Village of Fredonia Board of Trustees Meeting will take place Monday November 9, 2026 at 6 PM in the Trustee Room, second floor, Village Hall.

J. Rules for Public Comment

Public comment shall be conducted according to the following rules:

- Any member of the public may speak about Village business, an agenda item, or another matter reasonably within the authority of the Village government.
- The Village Clerk shall make a speaker sign-up sheet available before the meeting. Speakers who have signed up shall ordinarily be recognized in the order listed, followed by any other person wishing to speak. A person shall not be denied the opportunity to speak solely because the person did not sign up before the meeting began.
- Each speaker shall be allowed up to three minutes. The same time limit shall be applied equally to all speakers. Time may not be transferred from one speaker to another.
- Each person may speak once during the public comment period unless the presiding officer permits additional comment for purposes of clarification.
- Comments shall be addressed to the Board as a whole. Public comment is an opportunity for the Board to receive information and viewpoints and is not ordinarily a question-and-answer session. The Mayor, a Trustee, or an appropriate Village official may briefly clarify a factual matter or arrange for follow-up when appropriate.
- Speakers may criticize Village policies, decisions, operations, employees, or elected officials. A speaker shall not be interrupted or ruled out of order merely because the Board disagrees with the speaker's viewpoint or because the comments are critical, uncomfortable, or unpopular.
- Conduct that materially disrupts the meeting is prohibited. Examples include shouting over another recognized speaker, refusing to stop after the allotted time has expired, making a threat of violence, blocking access within the meeting room, or otherwise preventing the Board or the public from hearing or proceeding with the meeting.
- Before directing a speaker to stop or leave the meeting, the presiding officer shall ordinarily identify the rule being violated and provide a reasonable warning and opportunity to comply. Immediate action may be taken when reasonably necessary to address an actual threat or protect the safety of those present.
- These rules shall be administered in a viewpoint-neutral and consistent manner. No person shall receive preferential or unfavorable treatment based upon the person's

identity, political position, support for or criticism of the Village, or relationship with a member of the Board

ARTICLE I General Provisions

§ 208-1. Definitions.

- A. The words and phrases used in this chapter shall, for the purposes of this chapter, have the meanings respectively ascribed to them by Article 1 of the Vehicle and Traffic Law of the State of New York.
- B. The following word and phrases, which are not defined by Article 1 of the Vehicle and Traffic Law of the State of New York, shall have the meanings respectively ascribed to them in this section for the purposes of this chapter:

CURBLINE — The prolongation of the lateral line of a curb or, in the absence of a curb, the lateral boundary line of the roadway.

HOLIDAYS — As set forth in § 24 of the General Construction Law of the State of New York.

OFFICIAL TIME STANDARD — Whenever certain hours are named herein or on traffic control devices, they shall mean the time standard which is in current use in this state.

§ 208-2. Authority to install traffic control devices.

The Village of Fredonia Streets Department shall install and maintain traffic control devices when and as required under the provisions of this chapter, to make effective the provisions of this chapter, and may install and maintain such additional traffic control devices as he may deem necessary to regulate, warn or guide traffic under the Vehicle and Traffic Law of the State of New York, subject to the provisions of §§ 1682 and 1684 of that law.

§ 208-3. Schedules; adoption of regulations.

- A. For the purpose of maintaining an accurate record of all regulations adopted under the provisions of this chapter, there is hereby established a system of schedules, appearing as Article VII of this chapter, in which shall be entered all regulations after adoption. Such schedules shall be deemed a part of the section to which they refer. All regulations shall be adopted with reference to the appropriate schedule as indicated in the various sections of

this chapter.

- B. Regulations shall be adopted by the Board of Trustees in accordance with provisions of the Village Law and the Vehicle and Traffic Law, or by an officer or agency authorized by the Board of Trustees to adopt regulations pursuant to § 1603 of the Vehicle and Traffic Law.

ARTICLE II Traffic Regulations

§ 208-4. Traffic control signals.

Traffic control signals shall be installed and operated at the intersection of those streets described in Schedule I (§ 208-40), attached to and made a part of this chapter.

§ 208-5. Speed limits.

The maximum speed at which vehicles may proceed on or along any streets or highways within the Village is hereby established at 30 miles per hour, except that the speed limit for vehicles proceeding on or along those streets or parts of streets described in Schedule II (§ 208-41), attached to and made a part of this chapter, shall be as indicated in said schedule.

§ 208-6. (Reserved)

§ 208-7. One-way streets.

The streets or parts of streets described in Schedule IV (§ 208-43), attached to and made a part of this chapter, are hereby designated as one-way streets in the direction indicated.

§ 208-8. Prohibited turns at intersections.

No person shall make a turn of the kind designated (left, right, all) at any of the locations described in Schedule V (§ 208-44), attached to and made a part of this chapter.

§ 208-9. Prohibited right turns on red signal.

No person shall make a right turn when facing a steady red signal (stop indication) at any of the locations described in Schedule VI (§ 208-45), attached to and made a part of this chapter.

§ 208-10. Through streets.

The streets or parts of streets described in Schedule VII (§ 208-46), attached to and made a part of this chapter, are hereby designated as through streets. Traffic control devices shall be installed on each street intersecting the through street.

§ 208-11. Stop intersections.

The intersections described in Schedule VIII (§ 208-47), attached to and made a part of this chapter, are hereby designated as stop intersections. Stop signs shall be installed as provided therein.

§ 208-12. Yield intersections.

The intersections described in Schedule IX (§ 208-48), attached to and made a part of this chapter, are hereby designated as yield intersections. Yield signs shall be installed as provided therein.

§ 208-13. Truck route system.

- A. A truck route system upon which all trucks, tractors and tractor-trailer combinations having a total gross weight in excess of 20,000 pounds are permitted to travel and operate shall be as set forth in Schedule X (§ 208-49), attached to and made a part of this chapter.
- B. All trucks, tractors and tractor-trailer combinations having a total gross weight in excess of 20,000 pounds are hereby excluded from all streets except those streets listed in Schedule X, except that this exclusion shall not be construed to prevent the delivery or pickup of merchandise or other property along the street from which such vehicles and combinations are excluded.

**ARTICLE III
Parking, Standing and Stopping**

§ 208-14. Application of Article.

The provisions of this article shall apply except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic control device.

§ 208-15. Parking between sidewalk and paved portion of street restricted.

No person shall park a vehicle at any time between the sidewalk and the paved portion of any street in the Village of Fredonia unless permission is granted by the Board of Trustees of the Village of Fredonia.

§ 208-16. Overnight parking prohibited.

No person shall park a vehicle upon any public highway within the corporate limits of the Village of Fredonia between the hours of 2:00 a.m. and 8:00 a.m. from November 15 to April 15.

§ 208-17. Parking prohibited at all times.

No person shall park a vehicle at any time upon any of the streets or parts thereof described in Schedule XI (§ 208-50), attached to and made a part of this chapter.

§ 208-18. No stopping.

No person shall stop a vehicle upon any of the streets or parts of streets described in Schedule XII (§ 208-51), attached to and made a part of this chapter.

§ 208-19. No standing.

No person shall stand a vehicle upon any of the streets or parts of streets described in Schedule XIII (§ 208-52), attached to and made a part of this chapter.

§ 208-19.1. Parking of trailers or trailer trucks. [Added 7-22-2013 by L.L. No. 5-2013]

- A. On streets or municipal parking lots within the Village where parking of vehicles is permitted, no person shall park a trailer or trailer truck upon any of such streets or municipal parking lots within the Village of Fredonia for more than two hours on any day, except such parking shall be permitted in the following cases, provided there is no obstruction of vehicle traffic:
 - (1) For two days if in connection with moving of equipment or furniture or appliances into a building within 50 feet of the trailer or trailer truck; or
 - (2) For a period of time not to exceed seven days if in connection with the repair or construction of a building within 50 feet of the trailer or trailer truck. Where parking of vehicles is prohibited on any Village street or municipal parking lot, such prohibition shall apply also to trailers and trailer trucks.
- B. Any trailer or trailer truck parking in violation of this section shall be subject to towing and storage at the owner's expense, and the owner or operator shall be subject to a fine of \$35 per day, and each additional day a violation shall exist shall constitute a separate offense punishable by a fine not exceeding an additional \$35 a day.
- C. For the purposes of this section, "trailer" shall be defined the same as in § 156 of the Vehicle and Traffic Law. "Trailer truck" shall be defined as a truck primarily designed to tow a trailer and is also referred to as a semi-truck.

§ 208-20. Parking prohibited certain hours.

No person shall park a vehicle between the hours specified in Schedule XIV (§ 208-53) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 208-21. No stopping certain hours.

No person shall stop a vehicle during the times specified in Schedule XV (§ 208-54) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 208-22. No standing certain hours.

No person shall stand a vehicle during the times specified in Schedule XVI (§ 208-55) of any day, unless otherwise indicated, upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 208-23. Time limit parking.

No person shall park a vehicle for longer than the time limit shown in Schedule XVII (§ 208-56) at any time between the hours listed in said schedule of any day, unless otherwise indicated,

upon any of the streets or parts of streets described in said schedule, attached to and made a part of this chapter.

§ 208-24. Handicapped parking. [Amended 11-10-2009 by L.L. No. 7-2009]

The locations described in Schedule XVIII (§ 208-57), attached to and made a part of this chapter, are hereby designated as handicapped parking zones. Violators of this section shall be punished by a fine of \$60.

§ 208-25. Loading zones.

The locations described in Schedule XIX (§ 208-58), attached to and made a part of this chapter, are hereby designated as loading zones.

§ 208-25.1. Unauthorized parking on private property. [Added 5-26-2009 by L.L. No. 2-2009]

- A. Unauthorized parking on private property prohibited. It shall be unlawful for any person to park or stand a vehicle, whether occupied or unoccupied, except temporarily for the purpose of and while actually loading or unloading such vehicle, in any private driveway or on any private parking lot or other private property without the express or implied consent of the owner or person in lawful possession thereof. In the event the identity of the driver of such vehicle is unknown, the owner or person in whose name such vehicle is registered shall be prima facie deemed to be in violation hereof.
- B. Limitations on enforcement. No person shall be charged with violation of this section for parking in a parking space or lot of a business, commercial or multiple-family use unless either:
 - (1) A sign visible from all the entrances to the lot or from the parking space prohibits unauthorized parking; or
 - (2) The person parking in such private parking area has been warned orally or in writing to refrain from parking there.
- C. Penalty. Any person who violates this section shall be subject to a fine of \$50.

ARTICLE IV
Removal and Storage of Vehicles

§ 208-26. Authority to impound vehicles.

- A. When any vehicle is parked or abandoned on any highway or public parking lot within this Village during a snowstorm, flood, fire or other public emergency which affects that portion of the public highway or parking lot upon which said vehicle is parked or abandoned, said vehicle may be removed by or under the direction of the Fredonia Police Department.
- B. When any vehicle is found unattended on any highway or public parking lot within the Village where said vehicle constitutes an obstruction to traffic or is in violation of any provision of this chapter, said vehicle may be removed by or under the direction of the Fredonia Police Department.

§ 208-27. Storage and charges.

After removal of any vehicle as provided in this article, the Police Department may store or cause such vehicle to be stored in a suitable place at the expense of the owner. Such owner or person in charge of the vehicle may redeem the same upon payment to the person with whom stored of the amount of all expenses actually and necessarily incurred in effecting such removal and storage, such storage charges not to exceed \$5 per day or fraction thereof.

§ 208-28. Notice of removal. [Amended 9-9-2019 by L.L. No. 4-2019]

It shall be the duty of the Fredonia Police Department to ascertain to the extent possible the owner of the vehicle or the person having the same in charge and to notify him of the removal and disposition of such vehicle and of the amount which will be required to redeem same. Said Police Department shall also, without delay, report to the Village Clerk the removal and disposition of any vehicle removed as provided in this article.

ARTICLE V
Miscellaneous Provisions

§ 208-29. Penalties for offenses.

Every person convicted of a traffic infraction for a violation of any provision of this chapter which is not a violation of any provision of the Vehicle and Traffic Law of the State of New York shall, for a first conviction thereof, be punished by a fine of not more than \$100 or by imprisonment for not more than 15 days, or by both such fine and imprisonment; for a second such conviction within 18 months thereafter, such person shall be punished by a fine of not more than \$200 or by imprisonment for not more than 45 days, or by both such fine and imprisonment; upon a third or subsequent conviction within 18 months after the first conviction, such person shall be punished by a fine of not more than \$300 or by imprisonment for not more than 90 days, or by both such fine and imprisonment.

ARTICLE VI
Two-Hour Metered Parking

§ 208-30. Definitions.

The following words and phrases, which are not defined by Article 1 of the Vehicle and Traffic Laws of the State of New York, shall have the meanings respectively ascribed to them in this section for purposes of this article:

~~PARKING METER—Any mechanical device or meter not inconsistent with this article placed or erected for the regulation of parking by authority of this article. Each "parking meter" installed shall indicate by proper legend the legal parking time established by the Village and, when operated, shall at all times indicate the balance of legal parking time and, at the expiration of such period, shall indicate illegal or overtime parking.—~~

TWO-HOUR PARKING METER SPACE — Any space within a **two-hour** parking **meter** zone, which is adjacent to a **two- hour** parking **meter** and which is duly designated for the parking of a single vehicle by lines painted or otherwise durably marked on the curb or on the surface of the street or lot adjacent to or adjoining the **two-hour** parking **meters** zones.

TWO-HOUR PARKING METER ZONES — Any restricted on-street parking area or off-street parking lot upon which two-hour parking meters signs are installed and in operation.

§ 208-31. Designation of parking spaces.

The Fredonia Streets Department is hereby directed and authorized to provide for the marking off of individual parking spaces in the two-hour parking meter zones designated and described in Schedule XX (§ 208-59), said parking spaces to be designated by lines painted or marked on the curbing or surface of the street or lot. At each space so marked off, it shall be unlawful to park any vehicle in such a way that said vehicle shall not be entirely within the limits of the space so designated.

§ 208-32. Two-Hour Parking Zones

In said two-hour zones, the Fredonia Streets Department shall cause two-hour parking signs to be installed upon the curb, sidewalk or area immediately adjacent to the parking spaces provided in this article, ~~No parking meters shall be installed in areas where parking is prohibited pursuant to the provisions of the Vehicle and Traffic Law. The Police Department shall be responsible for the regulation, control, operation, maintenance and use of such parking meters. Each device shall be so set as to display a signal showing legal parking upon the deposit of the appropriate coin, lawful money of the United States of America, for the period of time prescribed in Schedule XX (§ 208-59). Each device shall be so arranged that upon the expiration of the lawful time limit, it will indicate by a proper, visible signal that the lawful parking period has expired, and~~ In such case of two-hour expiration the right of such vehicle to occupy such space shall cease, and the operator, owner, possessor or manager thereof shall be subject to the penalties hereinafter provided.

~~**§ 208-33. Operation of parking meters.**~~

~~A. Except in a period of emergency determined by an officer of the Fire or Police Department, or in compliance with the directions of a police officer or traffic control sign or signal, when any vehicle shall be parked in any parking space alongside or next to which a parking meter is located, the operator of such vehicle shall, upon entering said parking meter space, immediately deposit or cause to be deposited in said meter such proper coin of the United States of America as is required for such parking meter and as is designated by proper directions on the meter, and when required by the directions on the meter, the operator of such vehicle, after the deposit of the proper coin, shall also set in operation the timing mechanism on such meter in accordance with directions properly appearing thereon, and failure to deposit such proper coin and to set the timing mechanism in operation when so required shall constitute a violation of this article. Upon the deposit of such coin (and the setting of the timing mechanism in operation when so required), the parking space may be lawfully occupied by such vehicle during the period of time which has been prescribed for the part of the street in which said parking space is located, provided that any person placing a vehicle in a parking meter space adjacent to a meter which indicates that unused time has been left in the meter by the previous occupant of the space shall not be required to deposit a coin so long as his occupancy of said space does not exceed the indicated unused parking time. If said vehicle shall remain parked in any such parking space beyond~~

~~the parking time limit set for such parking space and if the meter shall indicate such illegal parking, then and in that event such vehicle shall be considered as parking overtime and beyond the period of legal parking time, and such parking shall be deemed a violation of this article.—~~

B. Said **two-hour parking meters** shall be operated in said **two-hour parking meter** zones Monday through Friday from 9:00 a.m. to 5:00 p.m. Excepted from this section shall be:
[Amended 7-14-2003]

- (1) Public holidays which shall be defined as set forth in § 24 of the General Construction Law of the State of New York.
- (2) Those times and places as may be authorized by resolution of the Board of Trustees for Village elections.
- (3) The Christmas shopping period, if authorized by resolution of the Board of Trustees of the Village of Fredonia, provided that such shopping period shall not exceed 14 days prior to Christmas.

§ 208-34. Manner of parking.

When a parking meter space is parallel with the adjacent curb or sidewalk, no person shall park or permit the parking of any vehicle in such parking space in any other position than with the foremost part of such vehicle nearest to the **two-hour parking meter space**; when a **two-hour parking meter** space is diagonal to the curb or sidewalk, no person shall park or permit the parking of any vehicle in such parking space in any other position than with the foremost part of such vehicle nearest to the **two-hour parking space meter**; when a **two-hour parking space sign meter** shall have been installed at the head of and immediately adjacent to any parking space on a municipal off-street parking lot, no person shall park or permit the parking of any vehicle in such parking space in any other position than with the foremost part of such vehicle nearest to the **two-hour parking space meter**; provided, however, that in municipal off-street parking lots, signs shall be erected indicating that head-on parking only is permitted. In any event, a vehicle shall be parked within the lines marked on the pavement measuring such parking space.

§ 208-35. Violations.

It shall be unlawful and a violation of the provisions of this article for any person to:

- A. Cause, allow, permit or suffer any vehicle registered in the name of or operated by such person to be parked overtime or beyond the period of legal parking time established for any **two-hour parking meter** zone as herein described, ~~or to deposit in any parking meter any coin for the purpose of parking beyond the maximum legal parking time for the particular parking meter zone.—~~
- B. Permit any vehicle to remain or be placed in any parking space adjacent to any **two-hour parking spaces. meter** while said meter is displaying a signal indicating that the vehicle occupying such parking space has already been parked beyond the period prescribed for such parking space.
- C. Park any vehicle across any line or marking of a **two-hour parking meter** space or in such

position that the vehicle shall not be entirely within the area designated by such lines or markings.

D. Deface, injure, tamper with, open or willfully break, destroy or impair the usefulness of any two-hour parking sign meter installed under the provisions of this article.

~~E. Deposit or cause to be deposited in any parking meter any slug, device or metal substance or other substitute for lawful coins.~~

~~F. Park or permit the parking of any vehicle in any parking meter space where the meter does not register lawful parking.~~

§ 208-36. Reports of violations; citations. [Amended 11-13-2001; 11-10-2009 by L.L. No. 7-2009¹
Amended 4-28-2025 by L.L. No. 3-2025]

A. It shall be the duty of the police officers, acting in accordance with instructions issued by the Chief of Police, to report:

(1) The location of each two-hour parking sign meter which indicates that the vehicle occupying the parking space adjacent to such two-hour parking sign meter is or has been parked in violation of any of the provisions of this article.

(2) The state license number of such vehicle.

(3) That such vehicle is parked in violation of any of the provisions of this chapter.

(4) Any other facts, a knowledge of which is necessary to a thorough understanding of the circumstances in attending such violation.

B. The police officer shall also attach to said vehicle a tag or notice to the owner thereof that a provision of said chapter or amendment hereto has been violated and instructing the owner, operator or chauffeur thereof to report to the Village Court Clerk's office or Police Department and pay a traffic recording fee in the following amounts:

(1) For a violation involving a two-hour metered parking space, the sum of \$25; ~~provided, however, that whenever there is any meter violation in excess of two hours, the sum of \$15 shall also be paid, and a \$15 tag or notice shall also~~ be attached to said vehicle.

(2) For unauthorized use of a handicapped parking space, the sum of \$75, plus any additional state surcharge.

(3) For violation of any of the following:

- (4) In the event that any of the above penalties is not paid within 14 days of the date of violation, an additional sum of \$15 shall be paid per violation, and if not paid within 28 days of the date of violation, an additional sum of \$30 shall be paid per violation. The Village Court Clerk's office or Police Department shall issue a receipt for the payment of such recording fee whenever requested.
- (5) If any of the fines set forth above are not paid after 30 days from the date of violation, any police officer of the Village of Fredonia is authorized to issue an appearance ticket as authorized under Article 150 of the Code of Criminal Procedure of the State of New York for failure to pay the fines set forth above.

Evidence of Violation

(1) A police officer may establish a violation of the two-hour parking restriction through personal observations made at different times. The officer may record the vehicle's license plate number, description, location, nearby landmarks, photographs, electronic records, or other identifying information.

(2) Evidence that the same vehicle was observed within the designated parking zone at times separated by more than two hours shall constitute sufficient grounds for the issuance of a parking citation when the officer's observations reasonable establish that the vehicle remained parked within the restricted area.

(3) Relocating a vehicle to another parking space within the same designated parking zone

shall not restart the two-hour parking period.

§ 208-37. Impounding of vehicles.

Any vehicle left parked for a period exceeding 24 hours succeeding expiration of the maximum parking time indicated during the hours of operation specified in the space in which the vehicle is parked shall be towed, under the direction of the Police Department, to the Police Impound Garage or any other place designated by the Chief of Police for impoundment, subject to redemption by the owner upon payment of the reasonable cost of towing and a storage charge of \$5 for each day or portion thereof during which it remains in said garage or other place.

~~**§ 208-38. Purpose of meter deposits.**~~

~~The coins required to be deposited in parking meters as provided herein are hereby levied and assessed as fees to provide for the proper regulation and control of traffic upon the public streets and also the cost of supervising and regulating the parking of vehicles in the parking meter zones created thereby, and to cover the cost of the purchase, supervision, protection, inspection, installation, operation, maintenance, control and use of the parking meters described herein.~~

~~**§ 208-39. Collection of coins from meters; disposition thereof.**~~

~~It shall be the duty of the Chief of Police to designate some proper person or persons to make regular collections of the moneys deposited in said meters, and it shall be the duty of such person or persons so designated to remove from the parking meters the coins so deposited in said meters and to deliver such to the Treasurer, who shall count the funds contained in such containers and deposit such funds in the usual manner provided by law.~~
