WHEREAS, open and accessible government strengthens public confidence, improves decision-making, and provides residents with a meaningful opportunity to bring concerns and information to their elected representatives; and

WHEREAS, the Board of Trustees recognizes that public comment should be conducted according to reasonable and consistently applied rules that allow participation while preserving the orderly conduct of Village business;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Village of Fredonia as follows:

Public Comment Reinstated

- A public comment period shall be included on the agenda of every regular meeting of the Board of Trustees. The public comment period shall ordinarily occur before the Board votes on resolutions or other substantive business.
- Any previous resolution, rule, motion, or practice prohibiting general public comment at regular meetings is hereby rescinded or superseded to the extent that it is inconsistent with this resolution.

Rules for Public Comment

Public comment shall be conducted according to the following rules:

- Any member of the public may speak about Village business, an agenda item, or another matter reasonably within the authority of the Village government.
- The Village Clerk shall make a speaker sign-up sheet available before the meeting. Speakers who have signed up shall ordinarily be recognized in the order listed, followed by any other person wishing to speak. The Mayor, a Trustee, or an appropriate Village official may briefly clarify a factual matter or arrange for follow-up when appropriate.

Examples include shouting over another recognized speaker, refusing to stop after the allotted time has expired, making a threat of violence, blocking access within the meeting room, or otherwise preventing the Board or the public from hearing or proceeding with the meeting.
- Before directing a speaker to stop or leave the meeting, the presiding officer shall ordinarily identify the rule being violated and provide a reasonable warning and opportunity to comply. Immediate action may be taken when reasonably necessary to address an actual threat or protect the safety of those present.
- These rules shall be administered in a viewpoint-neutral and consistent manner. No person shall receive preferential or unfavorable treatment based upon the person's identity, political position, support for or criticism of the Village, or relationship with a member of the Board

Public Hearings and Special Meetings

- This resolution does not replace any public-comment requirements applicable to a legally required public hearing. Public comment at special or emergency meetings may be permitted when appropriate but is not required by this resolution.

Dear Mayor,

I hope you are doing well. I am writing to respectfully request your consideration regarding an unusually high water bill for our property in Fredonia.

This home is a vacation residence, and we primarily live in Florida, so it is unoccupied for extended periods. Unfortunately, during one of these periods, there was a water leak that went unnoticed while the home was unoccupied. Since billing only occurs every three months, we had no indication of a problem until your office flagged the account for excessive water usage. Around that time, we also noticed through our Ring camera that someone had come to the property and spoke with a neighbor, which led us to immediately contact the water department and take action.

Our typical bill is around \$45 for a three-month period, making this increase highly unusual and unintentional. As soon as we became aware, we promptly resolved the issue.

We understand that many municipalities offer consideration for significant, unintentional leaks that are quickly repaired. With that in mind, we respectfully ask if any adjustment, reduction, or one-time relief may be available.

We appreciate your time and any consideration you can provide. Please let us know if you need any additional information.

Thank you,

Dear Village Water Department:

My name is Thomas Warne, and along with my son Andrew we own ATW Property Holdings, LLC. Together we own nine rental properties in the Village of Fredonia serving primarily, but not exclusively, the college rental market. Those that are familiar with us (Mr. Koski, and Mr. Siracuse) know that we strive to maintain and continually upgrade all of our properties. Also we pay all of our bills promptly and on time as Ms. LeBeau can attest.

The purpose of this letter is to ask for your consideration regarding an unfortunate situation that recently befell us at one of our properties located at 29 Center St. Five college women rented the house from us last year and are returning this Fall. However, at the time all were gone for summer break. At some point during the month of June the water supply line to the upstairs toilet failed for no apparent reason. Since no one was home we do not know for sure how long water sprayed from this line but we estimate it at between 10 days and 2 weeks. All in all our losses from this incident have exceeded \$30,000.

Water consumption at this property is normally between 10,000 and 15,000 gallons per quarter. Our recent reading shows a consumption of 67,000 gallons covering the period of this incident.

Our water and sewer bill for the same period last year was \$147.40. For this quarter our bill will be \$1,105.20.

We are requesting that you please take these circumstances into consideration and hopefully offer us some type of discount on this quarter's bill. We would greatly appreciate anything you can do to mitigate our loss.

Thank you very much.

Best regards,

July 8, 2026

Honorable Mayor Ferguson and Village of Fredonia Board of Trustees:

Festivals Fredonia respectfully requests the following uses of Village property during the festival known as "Red, White and Blues" (RWB), Friday, September 11th and Saturday, September 12th. We are following the same successful format as in previous years. If not already on file, a Certificate of Insurance will be provided before the event from Festivals Fredonia, Inc. and any participating food vendor, winery, cidemaker and/or brewery.

First, we request permission to place advertising yard signs around the village promoting the festival two weeks prior to the festival. Additionally, we request that the large RWB banner be hung across Temple Street from August 24, 2026, through September 14, 2026 (this has already been requested of and approved by DFT Communications and National Grid).

As you may be aware, like in previous years, the festival is a progressive, flowing festival, moving from venue to venue where attendees can enjoy blues music throughout the village. The festival will virtually be no different than previous years. That said, on Friday, September 11th, activities will take place first at the Fredonia Memorial Post 59 American Legion at 6:00 PM, and then move to on Prospect Street, where there will be a band performing at 8:00 PM at The Fredonia Beaver Club. Both venues will also have food and activities at their establishments throughout the evening. We respectfully request the following for Friday: please place trash receptacles/barrels on the sidewalk at the end of the driveways at the Fredonia Memorial Post 59 American Legion ("the legion") and The Fredonia Beaver Club, and at the front of each of those establishments. This will serve as virtual boundaries for alcohol, if allowed and approved, as well as keep littering to a minimum. No glass containers will be permitted outside the doors of any establishment.

On Saturday, September 12th, activities in and around the park will include music in The Gazebo, Fredonia Farmers' Market and many craft vendors, wineries, cidemakers and food vendors. We respectfully request the following for Saturday:

1. Use of West Barker Common and the Gazebo from 8:00 AM-8:00 PM.
2. Parking meters bagged as "No Parking" around the perimeter of West Barker Common, including both sides on Park Street and Church Street (in between Temple Street and Center Street), and the north side of Main Street, starting at 8:00 AM. Musicians/vendors will use this space for loading and unloading, as well as food vendors will be along Park Street and motorcycle parking along Church Street, between Center Street and Park Street.
3. Request to suspend the open container law within West Barker Common, and throughout the village in front of establishments participating in the festival, to allow wineries to operate near the park from noon until midnight and festival participants to be outside on the sidewalks in front of participating establishments. The list of participating establishments is attached for your information and use. The RWB committee will provide cleanup assistance in the park after the festival.
4. Picnic tables, as many as possible, placed in the Gazebo side of Barker Common, closer to Park Street for purposes of moving them under the tent that will be erected on Friday, September 11th.
5. **HARD CLOSE** Water Street between Main and Canadaway Streets from noon-midnight. **IT IS IMPERATIVE THAT THIS OCCURS FOR THE SAFETY AND WELL-BEING OF OUR VOLUNTEERS, VENUE EMPLOYEES, EVENT ATTENDEES AND MUSICIANS.**
6. **HARD CLOSE** Church St. from Temple to Center, the churches will be formally notified. Also, close Park Street, from Church Street to Main Street to accommodate request #2. **IT IS IMPERATIVE THAT THIS OCCURS FOR THE SAFETY AND WELL-BEING OF OUR VOLUNTEERS, VENDORS, EVENT ATTENDEES AND MUSICIANS.**
 - a. If necessary, "Frame" tents will be set up in front of the Gazebo, in the middle of Church Street, in the event of inclement weather
 - b. "Frame" tents will NOT REQUIRE pounding of any stakes into Church Street.

Festivals Fredonia, Inc.
P.O. Box 273
Fredonia, NY 14063
festivalsfredoniany@gmail.com
www.festivalsfredoniany.org

7. Trash receptacles/barrels throughout the West side of Barker Common, with more on the Gazebo side to accommodate food trash, and outside, in front of taverns on Water and Main Streets which will also serve as virtual boundaries for alcohol. No glass containers will be permitted outside the doors of any establishment.
8. Similar to last year, we will be hosting a VIP only tent for corporate and community sponsors in Barker Common on the Gazebo side of the park near Temple Street. We will be requiring private ticket attendees only and WILL NOT be selling any food or drinks in the tent; all will be complimentary for the attendees. You will receive copies of the event permit, if necessary, prior to the event. This will be secured by volunteers at the entrance to the tent throughout the event.
9. In addition to the street closures above, please allow for an additional closure of the alleyway/parking lot driveway between DeJohn's and the former Monster Beach Brewery & Tiki Bar, and from Mrs. Fred's to Eagle Street. Pedestrians have tended to remain in the way of traffic and closing these alleyways will improve safety in this area. The western Parking Lot is still accessible from the main entrance near Lena's Pizza via Canadaway Street. The entrance to the alleyway between Fred's and Eagle Street will have limited access from Eagle Street.
10. Lastly, we request a police and/or fire department escort out of the village and the start of the annual 9/11 Motorcycle Run and a police escort back into the village as the motorcycle's return. Although the route has not yet been finalized, the plan for escorting out would be at 10:00 AM from the legion to routes 60 & 20 and return back to the legion parking lot by 2:00 PM.

The Farmers' Market will set up in the park and/or street, as usual, in front of Village Hall and will extend its hours until 5:00 PM on Saturday, if they choose so. This will allow for participating wineries the ability to sample and sell their wine in accordance with NYS agricultural laws. Each winery has provided, or will provide you, their Certificate of Insurance, including the Liquor Legal Liability rider, naming the village as covered under their liability policy. If you do not have a copy of the certificate before August 29, 2026, contact Larry Fiorella immediately to arrange to obtain a copy.

We also respectfully request that the Fredonia Police and Fire Departments set up their lighted signs to warn of pedestrian traffic on Main Street near Prospect Street on Friday and Main Street near Water Street on Saturday.

We appreciate confirmation of this request and will keep you informed if any significant changes occur.

Sincerely,

Larry Fiorella

For the "Rockin the Commons" event. NO issue from anyone. Only "ask" we have for the Village Board, is if they want to lift the noise ordinance requirements for the event.
