A. CALL TO ORDER-MAYOR FERGUSON

I call this meeting to order on Monday July 21, 2025 at 6 PM

Roll Call of the Trustees: Present: Espersen, Brauchler, Twichell, and Wandel. Trustee Siracuse Absent.

Honoring James Sedota for his dedication to the Village of Fredonia

Today we honor and mark the passing of James M. Sedota of Fredonia, New York. A former Village Administrator for over 30 years and multiple administrations, "Jim" helped to move the Fredonia community forward with his every step. Born in Dunkirk, he was raised in Fredonia and continued his contributions to our community as the Claims Adjuster for the Fredonia School District right up to the day of his passing.

A man who loved Golf and called the Vineyards Golf Club his home course, he could be found helping many charitable efforts continuing his desire to see Fredonia grow. A man ready to help anyone who asked and offered financial advice to so many, including the current administration. We salute him for his passion for Family, Friends, God and his community. He is survived by Dadie Sedota, his four children, seven grandchildren and four great-grandchildren along with nieces, nephews and cousins. Known for his smile and humor, he will be missed but never forgotten. Thank you Jim and his family for letting us share his knowledge and his life. We are all better for knowing him.

B. PLEDGE OF ALLEGIANCE-

HONK TO PRESENT TO THE BOARD

Brian Williams presented information on the parking platform that HONK provides to the Trustees and the public. This provides the option for the Village to be meter free, allowing to forgo the maintenance and replacement costs of meters. Consumers will be able to pay from their cell phones to park using google pay, apple pay, or via credit card. Police are able to view those who have not paid via an app or website; which would be how individuals would receive the parking tickets.

C. APPROVAL OF MINUTES-

Upon motion duly made by Trustee Twichell and seconded by Trustee Brauchler; the following resolution was approved by a 4-0 vote:

**BOARD OF TRUSTEES
OF THE VILLAGE OF FREDONIA
MEETING MINUTES
9-11 Church Street
Fredonia, NY 14063
July 21, 2025**

WHEREAS members of this Board have read the Official Minutes of the Board of Trustees Regular Meeting of July 7, 2025 and

BE IT RESOLVED that the Board hereby approves the minutes as entered into the Official Minutes, and

BE IT FURTHER RESOLVED that the reading of the minutes be dispensed with.

D. PUBLIC PORTION-

This portion of the meeting is for public comment. Any member of the public wishing to speak, once recognized, shall stand at the microphone, and state their name and address. Speakers will be allowed three (3) minutes if speaking for themselves or five (5) minutes if speaking on behalf of a group. I will ask the speakers to refrain from remarks that are in poor taste, slanderous, or not germane to any action taken or contemplated by the Board

Andrew Ludwig-Speaking on behalf of "Save Our Reservoir" group. O'Brien and Gere performed multiple engineering studies on our water infrastructure, which aided the Village in receiving the grants that it did under Mayor Landis. No grants for the water have been pursued after Landis was in office, instead money has been spent to use experts to seek out more studies. We used experts from SUNY Fredonia. There was a predetermined outcome for the latest study that the experts were paid for. LaBella did what they were paid to do for this last study and recommended going through North County Water District. If the cost of the dam must be incurred anyway, why wouldn't we just stick it out with our water. Pressure, flow, and quality have not been checked on these connections that do not work. The Board has an obligation to determine if these items will be issues before they decide.

James Lynden-Intermunicipal connections. The County Executive said the boil water order was a misplacement of blame and that it was not really an emergency; but the Fire Chief who called an emergency. I would think North County Water District should just be willing to help us since we are a Village within their county. It is the Mayor's job to make sure that contracts are being followed and he is not.

Mark Twichell-Speaking on the parking scheme. They have this in Buffalo and when we walked up to one and there were two couples who couldn't figure out how to use the parking meters in the city. What about those who do not carry a cell phone. It is discriminatory and an invasion of privacy.

Dear Mayor and Board members:

I noticed that regular Village Board meetings are now scheduled for 6 pm. Although the Open Meetings Law does not state the time for a public meeting, using 6 pm as the start of the meeting is most inconvenient to Village residents. The legislative intent of the Open Meeting Law states that in the maintenance of a democratic society public business must be performed in

**BOARD OF TRUSTEES
OF THE VILLAGE OF FREDONIA
MEETING MINUTES

a manner that citizens are able to attend and listen to the deliberation and decisions that go into making of public policy. Although no specific times for meetings are set forth in the Open Meetings law, holding a public meeting during most people's dinner hour is most inconvenient to the public and not keeping with the intent of the Open Meetings Law which requires by Citizens to be fully aware of and able to observe and to attend and listen to the deliberations and decisions of the Village Board. There is no reason to hold public meetings during dinner hour which would discourage public attendance at Board meetings.

For many years the time for meetings of the Village Board were either 7 pm or 7:30 pm. Scheduling Board meetings during dinner hour is not in keeping with the spirit and intent of the Open Meetings Law. I recommend that a more convenient and reasonable time be scheduled for Village Board meetings, such as 7 pm or 7:30 pm.

It looks like the Village Board is doing what it can to discourage the public from attending Village Board meetings by using dinner time for holding meetings.

Regarding the job description resolution for the Fire Lieutenant this resolution should be subject to receipt by the Village Clerk of written approval of the Chautauqua County Dept. of Civil Service.

Fredonia, NY 14063
July 21, 2025**

Would like to begin by thanking the Fire Chief and his team; Trustee Espersen, Brauchler, Wandel and my wife for participating in the distribution of water. There were 1,000's of cans sent through FEMA because of the Governor's office.

There is some patchwork being done on Gardner Street.

Attended the workshop meeting with the hospital who will be meeting with the Planning Board on Wednesday.

Participated in Camp Day at Tim Hortons passing out coffee through the drive thru.

Want to thank Larry Fiorella for bringing in hundreds of thousands of people throughout the years for different events into the Village. He is finishing up the year, but has done a great job throughout the years putting on events in the Village.

G. TRUSTEE/COMMITTEE REPORTS-

Brauchler-No report

Espersen-Met with the Town of Pomfret and Municipal Solutions to see how we can work together to consolidate services to save more money within our budget.

Siracuse-Absent

Twichell-Last week I met with the Mayor and Trustee Wandel along with representatives of a class action settlement against manufacturers of the toxin PFAS. The settlement allows for payments to communities whose public water sources are impacted by PFAS contamination. Although Fredonia reservoir contains only a trace level of PFAS, it is possible for the Village to qualify for settlement money. I hope that we will follow through with this possible source of revenue.

As many of us also did, I watched the video of last week's meeting of the Chautauqua County Board of Health. We learned that it is the responsibility of Village officials to declare a boil order. Although, Village officials may declare a boil order an emergency, the County Health Department does not consider it an emergency. We are also informed that even if the existing connections between the Village and the County were functional, the Village would still need to declare a boil order. This is puzzling since the Village has historically received water from the City of Dunkirk's Vineyard Drive connection without declaring a boil order.

I was asked to consider withdrawing the resolution to enforce the emergency water contract between the Village and the County. For the following three reasons I refuse to withdraw the resolution.

1. The contract states that the Village shall receive potable water in the event of emergency. The need to boil that water regardless would require a three-day boil order to allow testing to make sure the transfer of water sources is safe for Fredonia customers. A three-day boil order is better than the recent week-long boil order.
2. Since the County has experienced nine boil orders in the past eight years, to the Village's eight boil orders in the same time period, it is unlikely that the Village can entirely avoid

**BOARD OF TRUSTEES
OF THE VILLAGE OF FREDONIA
MEETING MINUTES
9-11 Church Street
Fredonia, NY 14063

boil orders. Only their duration if the connections were functional as the contract demands.

3. The contract does not say the Village needs to take action to receive emergency water. But the Village is unable to receive water from the County, even while the Village has honored the contract by supplying water to the County. If the contract is unenforceable, it should be rewritten to reflect the truth of our inability to secure a source of emergency water and our honest efforts to help other communities in their water needs.

Wandel-Also met with Siemen's/Jeremiah King. We can soon apply to phase two of the PFAS settlement, will be presented at our next workshop.

Planning strategies are being worked on for the chlorination project.

Working with the water treatment plant supervisor to review SOP's and response procedures.

J. RESOLUTIONS-

Upon motion duly made by Trustee Brauchler and seconded by Trustee Twichell; the following resolution was approved by a 4-0 vote:

BE IT RESOLVED that the regular and overtime payrolls of the various Village Departments and bills approved by the Finance Committee and set forth in Abstract #767 through #770 are hereby approved and directed paid and available in the Village Clerk's office, 9-11 Church Street, Fredonia, NY.

Upon motion duly made by Trustee Espersen and seconded by Trustee Brauchler; the following resolution was approved by a 3-1 vote, Trustee Twichell voting no:

BE IT RESOLVED that the "Fire Lieutenant" job description currently states that the position can be held by an Emergency Medical Technician, and

WHEREAS, the job description should be amended to abide by the current contract to maintain the paramedic ratio on duty, therefore;

BE IT FURTHER RESOLVED, the Village Board approves the amending of the "Fire Lieutenant" job description to change the requirement of EMT Basic to Paramedic.

Upon motion duly made by Trustee Wandel and seconded by Trustee Espersen; the following resolution was approved by a 4-0 vote:

**BOARD OF TRUSTEES
OF THE VILLAGE OF FREDONIA
MEETING MINUTES
9-11 Church Street
Fredonia, NY 14063
July 21, 2025**

BE IT RESOLVED that the training request of Luis Fred, Chief Operator at the Water Treatment Plant, as well as Water Operators, Marcus Bentley and Jonah Brock, to attend the Chautauqua County Professional Water Operators Association, Sunset Bay, NY on August 19, 2025 is hereby approved at no cost to the Village.

Upon motion duly made by Trustee Twichell and seconded by Trustee Espersen; the following resolution was approved by a 4-0 vote:

BE IT RESOLVED that the training request of Erlyssa LeBeau, Treasurer, as well as Senior Account Clerk, Cara MaGill and Clerk II, Jennifer Marx-Mikula to attend the TI-Sales Educational Technology Summit, Batavia, NY on July 24, 2025 is hereby approved at no cost to the Village.

Upon motion duly made by Trustee Brauchler and seconded by Trustee Twichell; the following resolution was tabled for more review by a 4-0 vote:

WHEREAS, a possible decision by this Board to purchase all water from the County's Water District, or any other alternative to maintaining the Village's water source will not provide relief from boil orders for an unspecified time, perhaps more than two years in the future; and

WHEREAS, the Village of Fredonia entered a formal contract with Chautauqua County in 2020 for the provision of an emergency water supply intended to serve the Village in cases of water system failure, contamination, or other emergencies; and

WHEREAS, despite the contract being in place for five (5) years, the County has failed to provide or maintain a functional emergency water supply connection to the Village's system; and

WHEREAS, over the past thirty (30) months the Village has been subject to six (6) separate boil water orders, each of which may have been preventable had the County fulfilled its contractual obligations; and

WHEREAS an effort to avoid a previous boil order resulted in the County's failure to provide emergency water on request from the Village, and

WHEREAS, the failure of the County to meet its obligation presents a significant and continuing threat to the health and safety of both residents within the Village, and residents within each of its eight (8) water districts located outside of the Village boundary, and businesses both inside the Village and in its water districts, all the above being dependent on the Village as sole water provider; and

WHEREAS, the Village Board has a fiduciary, legal, and ethical duty to safeguard the health and welfare of its residents and water customers, now

THEREFORE BE IT RESOLVED, by the Board of Trustees of the Village of Fredonia as follows:

**BOARD OF TRUSTEES
OF THE VILLAGE OF FREDONIA
MEETING MINUTES
9-11 Church Street
Fredonia, NY 14063
July 21, 2025**

1. The Village formally finds the County in breach of contract for failure to provide a functioning emergency water supply system in accordance with the 2020 contract.
2. The Village shall notify the County in writing of said breach and demand immediate compliance and establishment of emergency water supply capabilities.
3. The Village authorizes the Village attorney to prepare, and if necessary, to file a Notice of Claim and take appropriate legal steps, including but not limited to an Article 78 proceeding or breach of contract action.
4. The Village shall notify the NY State Department of Health of the potential public health risks caused by the County's failure.
5. The Village will pursue formal policies to adequately oversee proper management of its water treatment plant, in addition to seeking alternative funding and infrastructure options to protect its residents and its other water customers from future water emergencies.
6. The Village Clerk is directed to publish this resolution on the Village website and to file it with appropriate State agencies.

Upon motion duly made by Trustee Twichell and seconded by Trustee Wandel, and carried unanimously, the Board adjourned the Board Meeting at 7:10 pm.

K. EXECUTIVE SESSION-NONE

FREDONIA FIRE DEPARTMENT MONTHLY REPORT

JUNE, 2025

The Fredonia Fire Department responded to 180 calls for service during the month of June 2025.

Of the above noted 180 calls during this reporting month, Emergency Medical Response contributed to 119 of them. Cost recovery for the month of June 2025 is as follows:

- \$40,346.35 received through EMS Billing
- \$6,814.55 assigned to our collections agency for EMS Billing

Throughout the month of June, the department conducted 228-manpower hours of training, stand-by, shift training and volunteer meetings (*See "non incident event history, attached"*). The department participated in numerous school field days, and I'm proud to report they were a major success.

Attached to this report is the 2025/26 Fredonia Volunteer Fire Department, Incorporated "doing letter". **Historically, this has been a resolution from the Board of Trustees.** Additionally attached are some membership changes for Volunteers part of our organization.

Respectfully submitted on July 14, 2025,

Joshua T. Myers
